SECTION 16.0 – GRANDFATHERED SERVICES

16.1 Facilities Based Services

(M)

16.1.1 Optional Calling Features¹

The features in this section are made available on an individual basis or as part of multiple feature packages. All features are provided subject to availability. Certain features may not be available with all classes of service. Transmission levels for calls forwarded or calls placed or received using optional calling features may not be acceptable for all uses in some cases.

A. Features Offered on a Usage Sensitive Basis

The following features are available to all local exchange Business and Residence line Customers where facilities and services permit. Customers may utilize these features by dialing the appropriate access code or by flashing the switchbox, based upon the switch technology serving them. The Customer will be billed the Per Feature Activation Charge shown in the following table each time this is used by the Customer. Customers may subscribe to this feature on a monthly basis at their option, to obtain unlimited use of this feature for a fixed monthly charge.

All per call feature charges can be found in the respective products throughout the tariff.

(M)

¹ Effective September 14, 2010, this service is grandfathered to existing Customers who are currently under contract. Once the Customer's contract term is expired, the service and rates will no long be available. The Customer can renew at the current services and rates.
